

The National Wild Turkey Federation's (NWTF) Bakersfield Chapter of Women in the Outdoors (WITO) will hold their 21st ANNUAL EVENT on May 14th – 16th, 2021, at T Bar T Carver Ranch located in Camp Nelson, California. For nine years, our Chapter's local event has earned recognition as being the **"Best Overall Event" nationwide!** In addition, in 2013 the Bakersfield Chapter was placed in **"NWTF's Outreach Hall of Fame"** during the 37th Annual NWTF Convention and Sport Show held in Nashville, Tennessee.

This program provides women from all over the world outdoor experiences like no other. The focus is to provide them the opportunity to participate in a variety of outdoor activities, which are traditionally enjoyed only by men. A few of the courses available at our local event include: Archery, Fly Fishing, Fly Tying, Handgun Self Defense, Modern Black Powder Shooting, RV Maneuvering, Dutch Oven Cooking, Outdoor Photography, Map and Compass, Hiking, Paint Ball, Mountain Biking, Kayaking, several craft classes, and more. There is something for every participant, no matter their age!

Due to the generous support of our sponsors, as well as our 50+ volunteers, we were able to accommodate approx. 150 participants at our 2019 WITO event. **We would like your help as a sponsor or event contributor to make 2021's event another award-winning year. Our event is in need of both raffle gifts and monetary donations.** A portion of the monetary donations received will support a wildlife conservation movement that is spreading across North America, and plays a significant role in the preservation of our American hunting heritage. Remaining donations will be used to offset the costs of the event.

Please review the enclosed Sponsor/Donation page for opportunities of sponsorships and event contributions. While you are considering how you may support WITO 2020, feel free to contact me to discuss any questions or to provide you with further information regarding the event. My phone number and email address are listed below.

All donations (except participant costs) are tax deductible. The Bakersfield Chapter's WITO Tax ID number is: 57-0564993

Women in the Outdoors has motivated the novice and instilled courage in the timid. It has brought an appreciation and love of the outdoors to thousands and taught them the important role hunting plays in wildlife conservation. Thank you to each sponsor and volunteer who has brought the NWTF to this place in history – and to those of you who are still sharing your passion for the outdoors through the Women in the Outdoors program.
