Re: Federal Firearms Prohibitions

Effective September 30,1996, Congress enacted the Omnibus consolidated Appropriations Act of 1997 Entitled “Gun Ban for Individuals convicted of a Misdemeanor crime of Domestic Violence”, which amended the Gun control act of 1968. The law prohibits any person who has been convicted of a “misdemeanor crime or domestic violence” from shipping, transporting, possessing, or receiving firearms or ammunition. In addition, the law prohibits any person who is currently the subject of domestic violence restraining order from shipping, transporting, possessing or receiving firearms or ammunition, except firearms or ammunition which are imported for, sold or shipped to or issued for the use of any federal, state or local agency. This law applies to all persons, including peace officers.

Women in the Outdoors offer a variety of classes to the public, which involves the use or possession of firearms or ammunition, as such, the Women in the Outdoors program must ensure that participants of these classes are not prohibited by a federal or state “misdemeanor crime of domestic violence”, may not participate in any class that involves the use or possession of firearms or ammunition.

Therefore, if you are interested in registering for or have registered for any class that involves the use or possession of firearms or ammunition, you must complete the Self-Certification below. If you refuse to complete the Self-Certification, you may not participate in the class.

Self- Certification

Participants of Women in the Outdoors Classes Involving Firearms

I certify that I received information regarding federally legislated firearms prohibitions, which may relate to my eligibility to participate in Women in the Outdoors classes that involve the possession, receipt, or use of firearms and ammunition. I understand that I am responsible for determining if I am in a prohibited class pursuant to this legislation.

I declare under penalty of perjury that I AM NOT covered by the restrictions of the federal legislation. I have NOT been convicted of a “misdemeanor crime of domestic violence”.
